

## God is moving at CPS!

The CPS family has been hoping and praying for the ability to offer free ultrasounds to our clients. Well, praise God, the time has finally come!

Thanks to our partnership with Cornerstone we will be having a mobile ultrasound unit at CPS on Mondays starting in July. This is a major milestone for our pro-life ministry. Even as I write this, we have seen the life-saving impact. A client has signed up for an appointment on the bus. She has chosen life for her and her baby! You will hear more on her story in the future.

The National Institute of Family and Life Advocates reports that over 80% of women who receive an ultrasound in a pro-life care center will choose life. What an incredible tool for life God has given us in the form of ultrasound. For a mother to see her baby and hear the child's heartbeat connects her to the beauty of God's creation in and through her in an incredible way.

While we are truly blessed by this development, we can only offer and continue to offer this blessing with your help. Your prayers, your financial support, and your time volunteering, through the leading of the Holy Spirit, make all of the difference for life! Thank you!

With Gratitude,  
Chuck and Christine

## Your Impact

**We cannot wait for our Annual  
Walk For Life! Mark Your  
Calendar now!**

**September 20, 2025  
ACS Sports Fields**

*Angela\* is a new mom, and recently “Dad”, has been coming along with Mom and Baby to her appointments. As a new dad, Bill\* has been growing in his knowledge and his love of his baby. It has truly touched our hearts to see how, with each appointment, he has gotten more and more excited about his family, and we are blessed to see Dad stepping up as we gear up to start our new Fathers Program here at CPS*

So much “new” happening at CPS, new ultrasounds, new fatherhood program and most importantly NEW LIFE! God is touching families through you! We cannot thank you enough.

How will we continue to foster this growth? By supporters like you joining our Shiphrah Society of dedicated monthly givers to help support the growth of CPS and the many generations that will be changed through God and you.

When you join the Shiphrah Society by becoming a monthly giver, you directly support families in our community and help save lives. You will also be one of the first to know about changes at CPS through our monthly Shiphrah Society emails and other special perks! So go ahead and scan the QR code with your phone to join us!

## Dad's Matter!

Did you know?

Fathers and infants can be equally as attached as mothers and infants. When both parents are involved with the child, infants are attached to both parents from the beginning of life.
